My childhood friend, the late distinguished New York State Senator Joseph Galiber worked closely with David Edelstein and was fond of noting the Jewish Community Council's many strengths and successes. I know I speak for all of my colleagues in the Senate when I congratulate David Edelstein and the Jewish Community Council of Pelham Parkway on two decades of inspired leadership.●

STATEMENT ON CURRENT STATUS OF FISCAL YEAR 1998 APPROPRIATIONS BILLS

● Mr. DOMENICI. With the completion of congressional action on the 13 annual fiscal year 1998 appropriations bills, I submit a table to the Senate showing the current status of the bills compared to the most recently filed Section 302(b) allocations by the Senate Appropriations Committee on November 13, 1997.

I note that the Interior and related agencies Appropriations bill under the current 302(b) allocation is over the subcommittee's allocation for both budget authority and outlays. A provi-

sion in the final Interior appropriations bill amends the budget resolution to trigger the allocation of an additional \$700 million in budget authority and \$257 million in outlays to the Appropriations Committee for land acquisition. I have filed that allocation today.

Once the Senate Appropriations Committee revises its 302(b) allocations to reflect the land acquisition funding, the Interior and related agencies appropriations bill will be within the subcommittee's funding allocation.

I ask to have printed in the RECORD the pertinent tables.

SUBMITTING CHANGES TO THE BUDGET RESOLUTION AGGREGATES AND APPROPRIATIONS COMMITTEE ALLOCATION

• Mr. DOMENICI. Mr. President, section 314(b)(3)(B) of the Congressional Budget Act, as amended, requires the chairman of the Senate Budget Committee to adjust the appropriate budgetary aggregates and the allocation for the Appropriations Committee to reflect an amount of budget authority

provided that is the dollar equivalent of the special drawing rights with respect to any increase in the maximum amount available to the Secretary of the Treasury pursuant to section 17 of the Bretton Woods Agreements Act, as amended from time to time (new arrangements to borrow).

Section 500 of Public Law 105-83, an act making appropriations for the Department of the Interior and related agencies, requires the chairman of the

Senate Budget Committee to adjust the allocation for the Appropriations Committee for Federal land acquisitions and to finalize priority land exchanges.

The conference agreement accompanying the bill provides \$31.7 billion in budget authority and \$21.2 billion in new outlays to operate the programs of the Department of Commerce, the Department of Justice, the Department of State, the Judiciary, and related Federal agencies for fiscal year 1998.

When outlays from prior-year budget authority and other completed actions are taken into account, the bill totals \$31.8 billion in budget authority and \$29.5 billion in outlays for fiscal year 1998.

The final bill is within the revised Senate subcommittee's section 302(b) allocation for both budget authority and outlays.

The bill is \$7 million in budget authority and \$77 million in outlays below the Senate subcommittee's 302(b) allocation.

Mr. President, it was my pleasure to serve on the Appropriations Subcommittee with the distinguished Senator from New Hampshire. I commend Chairman GREGG, for completing the fiscal year 1998 bill. It is not easy to balance the competing program requirements that are funded in this bill.

I thank the chairman for the consideration he gave to issues I brought before the subcommittee, and for his extra effort to address the items in the bipartisan balanced budget agreement.

I ask to have printed in the RECORD a pertinent table.
